Procedures

- We ensure that the existence of our setting is widely advertised in places accessible to all sections of the community.
- We ensure that information about our pre-school is accessible, in written and spoken form. Where necessary we will try to provide information in Braille, or through British Sign Language or We will try and provide translated written materials where language needs of families suggest this is required as well as access to an interpreter.
- We arrange our waiting list in birth order. In addition our policy may take into account the following:
 - siblings already attending the setting.
 - We keep a place vacant, if this is financially viable, to accommodate an emergency admission.
 - We describe our setting and its practices in terms that make it clear that it welcomes fathers and mothers, other relations and other carers, including childminders.

- We describe our setting and its practices in terms of how it treats each child and their family, having regard to their needs arising from their gender, special educational needs, disabilities, social background, religion, ethnicity or from English being a newly acquired additional language.
- We describe our setting and its practices in terms of how it enables Children and/or Parents/Carers with disabilities to take part in the life of the setting.
- We monitor the gender and ethnic background of children joining the group to ensure that our intake is representative of social diversity.
- We make our Equal Opportunities Policy widely known.
- We consult with families about the opening times of the setting to ensure we accommodate a broad range of family needs.
